(Technical Delegates, Course Designers and  
future 3 Day Event Judges)

Date: 4<sup>th</sup> July 2007

From: CEC Officials Committee

Subject: Clinic

There will be two clinics held in Ontario and British Columbia in October. The dates for Ontario are Friday night October 5<sup>th</sup>, Saturday October 6<sup>th</sup> and Sunday October 7<sup>th</sup> (WIT'S END). The British Columbia dates are Friday night October 12<sup>th</sup>, Saturday October 13<sup>th</sup> and Sunday October 14<sup>th</sup> (Maple Ridge Equestrian Centre).

The clinic will encompass all aspects of certification as an official, for new applicants from Level 1 up to and including Level 3. These two clinics will meet the requirements of Equine Canada (EC) for officials to remain updated. For new applicants, this will be the start of the process to become an EC official.

In the next month an application forms will be sent to all Eventing Officials whether up to date or not. One month before the actual clinic an open book written exam will be sent to those registered; this exam must be completed and handed in when arriving at the clinic site.

If there are any questions please do not hesitate to contact the chair of the Officials Committee Jo Young or any of the three other members Lynda Ramsey, Cathy Slaney or Len Kirby.
