

Evergreen Mini Event And Clinic

June 3 & 4, 2006

Evergreen Stable, Hampton, New Brunswick

Clinician: Mike Gallagher

This will be the same format as previous years. We still have all of the portables in the field to use on the Mini Course making the Pre Training course is a little larger than other years. We will offer a clinic on Saturday that will consist of a 90-minute group lesson over fences, including schooling over many of the mini cross-country jumps.

On Sunday, we will have a competition consisting of Dressage, Mini cross country course and Stadium Jumping. You can enter all of the components or select only portions. There will be prizes and awards!

Three Levels will be offered:

Entry - newbies, babies, first-timers etc... Cross-country consists of jumping (or walking over) 18" logs - great introduction level. Stadium jumps all cross rails.

Starter - jumps in the 2' to 2'6" range - no ditches or unnatural elements.

Pre-Training - jumps at 3' with a few cross-country questions including ditches and skinnies.

Mail your entry to Mike Gallagher at P.O Box 1036, Hampton, NB, E5N 8H1. To insure space is reserved for you, email mike4755@nb.sympatico.ca

There may be some stabling available for those traveling a distance. Please contact Ingrid Warning at 506-832-3738 to request stabling.
